Bakgrunnsstoff

Denne låten er inspirert av 'Valse A Rosenthal', innspilt for eksempel av Stochelo Rosenberg fra Rosenberg Trio. Lytt også til 'Made In France' av Bireli Lagrene.

Melodistemmen her kan spilles med eller

uten Hammer On/Pull Off, og den kan også spilles med åttedelsnoter i stedet for trioler.

Øv inn melodi og akkorder og improviser med utgangspunkt i G dur-, Em-skalaer og arpeggiofigurer.
